"We were really surprised to see Mrs. Fettes visiting our worksite and answering questions on behalf of The Workforce Connection."  
-Media Squad

## Workforce Connection Connecting

Intern's received Pamela Fettes, The Workforce Connection Regional Health Care Coordinator and a member on Workforce Investment Board. Pamela visited with each team on July 13, 2009 and individually on July 15, 2009. A majority of interns were excited to see that Mrs. Fettes was interested in their experience at EIGERlab.

## Special Thanks

On behalf of all of the Intern's at the EIGERlab we want to give special thanks to Mrs. Pamela Fettes. We appreciate you taking the time out of your busy schedule to meet with us all. Each and every one of us enjoyed meeting with you as a group and individually. We appreciate sincerity.

Thank You

## A Quick and Useful Tip!!!

Grass growing in sidewalks crack, instead of bending over to try to pull or dig it out. A solution would be to pour a good amount of regular table salt directly on the area; the grass will soon die off.
